The Story:

Have just spent the most incredible hour with Poppy! From the moment I walked through the door until I left I did not stop smiling or having an incredible amount of fun. I was greeted by Poppy in a beautiful black dress which really showed off her assets shall we say. We both had a beer (she likes beer people not champagne). I had a shower and was then greeted with the beautiful site of Poppy totally naked. She looks even better than in her photos. I won't go into too much detail about what happened next but what followed was totally amazing. Poppy has a twist on her owo which I can highly recommend and absolutely loved her fantastic tits being fucked. The chat is great with her and I was so at ease with this wonderful lady. If you like your talk dirty and filthy then Poppy is definitely the girl for you. If you have a wish list then this girl should go straight to the top of it. If you can only see one then make it Poppy.
