The Story:

I had the girl friend experience, its the best i havehad in 15 years punting. We just clicked ithink she fancied me, started with cuddling, deep french kissing, while i was eating a little sweet pastries she baked, we undressed each other, i was rock hard by this time, on to the bed deep bbj amazing i only lasted 10mins with the 69 she tasted so sweet and clean i fired she kept sucking swallowed the lot and licked her lips, more touchy feeling,me hard again, belted up sandra on top girating like a pole dancer, did not last to long fired my load straight into the jacket,more cuddling, sandra cleaned me gently.thanks to fellow punter volvic for his field report on this lady.
