### The Premises:

Lydia's place is very close to a station and very straightforward to find. The area is fine and I felt perfectly safe. The flat itself is lovely, always clean and tidy.

### The Lady:

Lydia is simply gorgeous. Beautiful sparkly eyes with the naughtiest glint in them, a wonderful smile and a cracking figure: curves in \*all\* the right places and the \*most\* fantastic boobs it has been my pleasure to come across...

### The Story:

I have seen Lydia a fair few times in the past months and somehow, each time just gets hotter. Lydia is a perfect playmate: wonderful to chat to, a delight to get to know and utterly fabulous in the bedroom. She is warm, welcoming and willing to take things at just the pace you want to -- we have experimented with many, many things I've always wanted to try... I won't go into too many details other than to say her blowjobs have to be received to be believed; oh and do read the anal pleasure for men page (as well as all the others) on her website -- it may take you to places you've never been before!

Treat her with the utmost respect gents, Lydia is one in a million.
