The Premises:

New parlour just off the Parkway. don't be put off by the exterior, inside has been fitted out really well. follow unit 8 red signs.

The Lady:

A pocket rocket, small but perfectly formed. Late thirties but full of energy and character. Great body, especially breasts.

The Story:

Really friendly place, receptionist very welcoming, Mercedes even more so. Great oral, and she did seem to enjoy the RO plus my clumsy massage!

Finished with excellent sex, in missionary - intended to suggest a change of position but ended up losing control!

Mercedes was really good company, good sense of humour, obviously enjoys her job which I like. Nothing mechanical, she was also a bit "bossy", which again I really liked. Good new place, try it guys.
