The Premises:

Tidy and very clean flat in a purpose built block. Quiet residential area, but no prying eyes; plenty of parking, 5 minute walk from Beckenham Junction station.

The Lady:

Ya Ya is a lovely petite Thai lady, cute ass and nice size breasts. Very pretty, I would estimate at 29 - 30 ish. She was wearing a lovely (short) dress which showed her figure to it's best

The Story:

Door was ajar when I approached, walked in and Ya Ya greeted me with a smile. I'd seen Ya before when she worked in Bromley and I received a peck on the cheek, and a 'You've come to see me again, thankyou'. Into the massage room, I was offered a shower, then left to undress and lie on massage table. Gentle music playing, I hardly heard Ya Ya come back into the room, next thing I know there's feather light fingers playing across my back and down my body. I'd paid for 'sensual' massage, which includes HR, so a few strokes between my butt cheeks every few seconds made me shiver. I'd never realised before the last year or so how sexy foot massage is too, a few tickles had me going too.

I find just letting yourself go is the way to enjoy massage, Ya Ya's hands are all over at once, I mentioned to her it felt like she had three or four hands.....

30 minutes or so of this teasing and I was turned over. 5 minutes of avoiding the groin area but just shimmering past, then a few light strokes had my cock twitching with a mind of it's own. More oil around the perineum and balls and up to my cock and it was time for the finale, slowly slowly....until I had to let go.

Ya Ya makes it clear that there is nothing else on offer, but makes a fantastic job of treating and worshipping your cock. I'd had a few 'rub n tug' type experiences before, but this was on a different level.

Ya Ya spent some time in Thailand recently after she stopped working in Bromley, I'm glad she's back and I'll be visiting her again....
