### The Premises:

Well-equipped and comfortable Parlour as described elsewhere.

### The Lady:

Very attractive girl. Mid-late 20s with long dark hair and pretty face. About 5'7, medium build with a lovely firm and curvy body, not an ounce too much on her, smooth and tanned skin and the most gorgeous natural boobies.

### The Story:

On a flying visit to Stoke, had originally intended to see one of the local indie escorts, but after a string of them had proved unable to accommodate me at the desired time, I decided to take my custom to the Head Office for only my second visit in 5 years. I was certainly not disappointed, and indeed nothing could have been more straightforward, which illustrates the benefits of an efficiently-run parlour like this. Adrianna provided all the services which I was quoted on the phone and was available promptly at the time booked.

Adrianna is a really friendly and professional girl, apparently fairly new to the Head Office, but not to the business. We started off with some sensual fondling and kissing - she does not shy away from physical contact and offers FK with a decent amount of tongue action. Also on the menu were OWO, 69 and RO, the latter of which she gave every impression of enjoying. Then it was on with the condom for some great full-on sex, and the encounter concluded with a very horny CIM (no swallow).

Altogether a very pleasurable and satisfying GFE-type experience and a definite recommend.
