The Premises:

Ok, clean and safe. Booking in system sucks, pointless booking as you always have to wait another 15 - 30 mins because someone walked in 10 mins before the booking - really annoying.

The Lady:

Slim, attractive 21 year old school girl type.

The Story:

Firstly the girl is clearly on something or just plain loopy. This was my first time with her. We started with owo which was very sloppy, loads of spitting and deep throat to the point i couldn't look - albeit one of the best i've had.

Onto doggy, cowgirl and then off with the mack and more of the same. All of which felt very rushed due to another punter waiting which tips very well - apparently. And for this reason i won't be seeing her again.
