### The Premises:

I seem to have been to this building b4 , so i found it quickly, id seen Leila her previously.

### The Lady:

Miya is stunning , and i was rock hard once greeting her and hugging her feeling her slim sexy body. my hands were allowed to wonder up her skirts, of which i could feel her bare bum.

### The Story:

early today i had some winnings in the casino, so ive been in a fucking galore activity. this was my last one for the night.

Miya made my day complete. She was as horny as hell, and we couldnt get our hands off each other.

As soon as we were on the bed, in no time we were both naked, started off in 69, and her pussy was heaven , and i could feel her tongue sucking and licking my cock so good . oh y, then she flipped me over, instructed my as to be raised, then she gave me a first class rimming , i could feel her tongue in my ass rolling around deep within, oooh nice.

I then reached for the baby oil on her dressing table, poured it all over her ass and pussy, laid side by side on bed and rubbed my cock frantically all over her ass and pussy, she moaned and asked me to fuck her , so on with the condom and i fucked her like a mad dog on heat. this was the best fuck ever in a long time. what a fantastic day ive had . i love thai girls, u cant beat their submissive nature and sex drive.
