The Lady:

Paige is stunning. She has a beautiful face which blew me away. Although an English girl she has a Mediterranean look with gorgeous olive skin. Not only a lovely colour but the smoothest most perfect complexion I have ever seen. I could stand and look at her all day and her eyes sent me away with the fairies from the start.

The Story:

She gave me a breathtaking massage with the perfect combination of a velvet touch and firm enough to stimulate body and soul. Like always of course you have to take the good with the bad. On the plus side just being in her charming and delightful company was enough to fall madly in love with her and desire to see her on a regular basis. In contrast she rejected my offer of marriage and refused point blank to run away with me. I guess I will have to make do with an hour in paradise every now and again. She is a breath of spring and deserves to be treated like the princess she is. Thankyou Paige u r very special.
