The Story:

Carla is extremely friendly and chatty with great attitude and sense of humour. She got me a drink and she undressed revealing all her assets. We began with a cuddle and kiss -she has lovely lips and soon we went into 69 position with her on top.

It was all very relaxed and we continued to chat until the old boy was hard and ready for sex. On with the condom and Carla came on top. I never felt rushed but the feeling of that lovely firm body body riding me was all too nice and I soon came.

Afterwards we chatted again and I took a bath. A nice snog on the way out and I was looking forward to another visit
