The Premises:

You probably know where it is, but if you do not, it is a basement flat on a busy street at the end of a terrace and right next to a shop. It is pretty anonymous and very safe.

The Lady:

Just like the pictures. Cindy is athletic with generous features, a very pretty face and must be a bit of a gym bunny because she is in good shape. Her enhanced boobs are VERY nice; she has just had them done apparently. She told me she comes from Gihana and the accent sound right.

The Story:

This was my first punt! I picked HoD and Cindy because of the generally good reports here on the board, her consistently excellent feedback, and because you can see her face in the pictures and she is pretty. I was very nervous and I think it made her bit shy at first but she soon got over it! She went to a lot of effort to make sure she was dressed how I wanted and to put me at ease. All the services on the menu were on offer. She was warm, encouraging enthusiastic and uninhibited. Next time I will ask her to wear the black outfit she wore for the photos which I saw her in as I was leaving and she looks fantastic in (and less make up).

I probably won't go back to Cindy for a while because I want to punt around and see what works for me. That said, and my relative inexperience as a punter noted, she is a great girl.

Good luck with the retakes Cindy!
