The Premises:

An established parlour. Basic facilities but clean and tidy. Two ladies available but I specifically went to see Alexi having heard about her.

The Lady:

Mid 20's 5ft 3 size 6 very petite tinted light brown hair which is permed and bobbed. Clean and fresh well prestnted lady. Very friendly and chatty I'm sure she'd be a good choice for nervous or first time punters.

The Story:

Went to the room there's a basic service 20 minutes for £25 I opted for half hour gfe with owo for £40. Lots of nice french kissing owo and mutual caressing. I did RO on her then onto 69. She is fully shaven and spotlessly clean and took an active part in the proceedings. She's very friendly and chatty gave me a nice kiss and a thanks for visiting at the door as I left. Considering the service offered and price charged it's one of the better value punts I've had and I'll definately be seeing her again.
