The Premises:

The establishment is in a busy part of a area dominated by warehouses and offices. There is no parking outside (yellow lines) but there is plenty of pay and display in surrounding streets. Safe and sound if a little exposed.

When you enter and leave, you have to go past the ladies in a small room. It's poorly lit and not so clean inside.

The Lady:

Anetta is a small Indian girl. She looked quite young, about 20 or so. Pretty face but a average body. Small breast and a big bum. Though have to say, really nice pussy. Likes to talk.

The Story:

Wanted a cheap quickie and thought try out the new Devotions location. Chose Anetta out of the 3 girls on offer (a half Caribbean and a English girl). Was led to the Blue Room (sounds more exotic then it looks). The room had one of those really old buten gas fires which made the room smell horrible.

Paid the £30 and was asked if i wanted the massage. Pass. Straight on with the condom and was expected to get down to sex. Was not asked if I wanted anything special or even Oral. Told her to kneel in front of me and suck me hard. Which she did really well. Asked her to get on the bed where she continued to suck me off whilst I played with her pussy. Was told no fingers. Said I could lick her for extra £10. Declined.

As the oral was so good, decided to stay with it, changing position until i shot my load.

You get your money's worth here. No fancy rooms or even the best looking girls. It's quick, cheap and does the job.

I would not recommend it nor would I shoot it down in flames.
