### The Premises:

Location was a lovely hotel just near Victoria Station. Very clean. No safety issues.

### The Lady:

Stunning. Exactly like her photos on the agency site.

### The Story:

We spent a good half an hour just talking and then got down to business. She put a lot of effort into OWO and made a huge display of enjoying everything I was doing. The original booking was only for two hours, but I ended up extending twice because I was having such a good time. Very few boundaries, hardly anything was off the menu. Left totally spent but satisfied.
