The Lady:

Very late thirties, early 40s brunette, nice figure, average boobs, great arse.

The Story:

Skipping any sort of massage I already had a semi on which Gypsy handled quite roughly. I paid compliments on her body but other than a little nipple play and light rubbing of her pussy, Gypsy kept asking me if I wanted to get stuck in. I wasn't in such a hurry as her.

When my cock was fully erect, Gypsy applied a condom (it's supposed to be OWO here but I wasn't bothered) and gave a blow job which wasn't anything special and very rushed.

Sex in mish and doggy were very rushed, she just seemed to want to get the whole thing over very quickly and wouldn't stay still during sex but I don't mean that in a sexual way. She just kept moving about.

I had trouble coming but eventually did and left feeling a little unsatisfied hoping the next TJ's girl I see would be more like Jordan....
