### The Premises:

Well established place 5 mins walk from Warwick Avenue. Easy to find with directions texted to me by HOD. Felt safe the whole time. The interior was well decorated. Felt nice.

### The Lady:

Beautiful and exactly as her photos are on the website. You can't see Pixie's face from the website but you will not be disappointed. She has a beautiful sexy smile and eyes that you can get lost in...

### The Story:

This was first visit to HOD, I hate myself now for waiting so long. Pixie was gorgeous and friendly from the start. I'm sure that if you ever visited a lady before, whether independent or not, you've had this issue where nothing happens until the money changes hands, and only then does she start "working". There was none of that here. Pixie opened the door looking stunning and kissed me full on the lips pushing me onto the bed. what a start! I then had to get up as i wanted to get naked n naughty! Paperwork sorted and what a 30 minute session, she was amazing, totally interactive, didn't clock watch. Would definately recommend and see again and would urge you to do the same! Thank you Pixie for a wonderful time! xxx
