The Premises:

Easy to locate with the directions given by text and a mere five minutes walk from Warwick Avenue underground.

Nice quiet area and well appointed/decorated room.

Standard Hod service, no fuss all fun!

The Lady:

As much as a cliché as it is, in person far far far prettier than the photos (the photos are an accurate account) but in person simply stunning. Dressed in a simple yet effective lingerie set which delightfully showed off her curves, silky tan skin and luscious dark long flowing hair.

The Story:

I can say emphatically the best experience I have had since my first visit to Hod which was with the now sadly missed Jade.

Both ladies left me with an almighty satisfied glow that radiates days afterwards.

From my personal point of view being a lover of all things Thai and Latin; to meet a lady who has both heritages is a dream! (ok reality now!) My only question is now: where do you find such a wonderful combination in civilian life?

I somewhat digress! From start to finish it was a gentle alluring GFE with soft kisses all over leading to a slow and sensual blow job. On with the condom for the first of two positions, the first being cowgirl whereby her wonderful breasts were bouncing, all the while intercepted with soft kisses.

I repaid the oral favour as well as feasting on her exquisite breasts and proceeded into the second position of myself on top where I climaxed.

I realised afterwards I had missed a trick and forgot to sample the delights of her ass in doggy!
However it was an all the more intimate encounter with the face to face positions.

A simply stunning lady, golden, raven haired, sweet, sexy, funny.. Simply Amazing (Am i gushing enough!) Shakira eat your heart out!
