The Premises:

One of annabella's flats and a modest room with a double bed (squeaky, springy mattress) and otherwise fair. Cheap parking is available and although i rang early, quite a lot of ladies are booked till afternoon. Not sure how the system works as MK is a long journey for me and I cannot just hang around. Fortunately Kaprice was available early.

The Lady:

Tall, 5ft 9in, blonde, blue eyes and lovely lips, pretty face, size 10, with 34d breasts. She had short blonde hair and looked lovely in tights, bra and pants.

The Story:

Started with kissing, tongue and it was a wonderful experience. I love it when a plan works and kissing is something o do value. She does a wonderful oral without and i did the return too. Sex in different positions and we seemed to come at the same time. Excellent experience after a long wait.
