The Premises:

Met Bella in the agency flat in High Wycombe. Flat is on the ground floor and is perfect for fun and games. Parking was easy and free.

The Lady:

Bella's pics on the web site do not lie. She has a gorgeous rounded figure and is very good looking. Shoulder length black hair, quite tall (five-seven to five-nine) great tits, lovely legs, great arse and a very pleasant personality. She is from The Czech Republic and speaks perfect English with quite a sexy accent!

The Story:

Bella greeted me at the door wearing a sexy red basque, hold-up stockings, heels and NOTHING else. Indeed those pictures do not lie!

This was a really nice hour of very good kissing, stroking, licking and sucking and Bella certainly knows her way around a guys anatomy! Her blow-job skills are excellent and she thoroughly enjoys being licked, sucked and probed herself. Her pussy was shaved and she tasted really good, I had a great time in between her luscious thighs giving her a thorough licking. She spent ages sucking my cock and teasing my balls and arse! She's not into her own arse being played with, but it was a fabulous sensation being fingered by her while she sucked my cock.

Eventually it was time to fuck. Bella got on her knees and I (covered) entered her (very tight) pussy from behind and had a great time watching my cock slide in and out of her gorgeous pussy, all the time Bella was watching in the full-length mirror, great eye-contact and a sexy big smile. As I approached orgasm she began to talk dirty giving me maximum encouragement as I went for it and eventually came with my balls banging against her lovely arse!

A quick shower, followed by a chat and a drink, then I dressed and was on my way. My time with Bella was well spent and I heartily recommend her.
