The Premises:

Place was clean and tidy and the bedding smelt fresh. I felt very safe entering her house.

The Lady:

Danielle is a beautiful girl with quite astonishing eyes. She was wearing some very sexy matching underwear with stockings and a sheer black top. Very nice!

The Story:

I had asked in advance for a massage in advance which was fantastic. She really took her time and I was very surprised when she told me she had no formal training. I would come back again for the massage alone. Danielle is also a great listener and seemed genuinely interested in my woes so that by the time the massage was over I was fully relaxed and ready to move onto other things!!

This girl just gets better and better. She gave me a very skilled blowjob and then rode me with her tight pussy. She has muscles where you wouldn't expect and used them throughout to bring me to a rip roaring climax.

She offered me the use of the shower which I declined and we chatted while I dressed and she showed me out.

This is the best meet I've had for a long time.
