The Premises:

Modern flat in the Covingham area, in one of those anonymous estates developers are so fond of these days. plenty of parking and good directions to find it.

The Lady:

Was expecting to talk to Katie, but when I called I was told Katie works on Fridays so I was talking to Rose, anyway you know how it is, you've made the call and the lady sounds nice so what's in a name, said she was mature, blonde, slim with good size boobs, and as I found out it was an accurate description.

The Story:

Met at the door by an attractive lady wearing not a lot, very nice, given a welcoming kiss and hug, offered a shower and a drink, then a quick chat about what I wanted as we got the paperwork sorted, very chatty and friendly, felt at ease straight away.

With maturity comes experience and this lady knew exactly what she was doing, a good massage to start, hand relief, oral and sex in a couple of positions, pretty much perfect.

Swindon is not my home ground but get the feeling this address is shared by a couple of ladies, if they are all as good as Rose I will be back.
