The Premises:

Very nice smart apartment in a new block. Safe, no prying eyes. Security phone access on door, easy to use. The place was clean, well cared for and a pleasure to visit. Shower available before and after.

The Lady:

Esme was a delight! Profile pictures are absolutely accurate and unmistakably her. Esme is quite tall, very beautiful, lovely long hair and smiles a lot. She has a fabulous figure (oh those breasts!) and presents herself immaculately. She is as close to my idea of perfect as I'm ever likely to experience.

The Story:

I don't do a lot of 'punting'. I have though, like others, experienced the good and the indifferent. Esme, however, was simply sensational. She does not hold back. The kissing/undressing part of the meeting was sensual and extremely arousing, lots of provocative bending over.... She provided all the services I wanted. Her oral skills were wonderful, and to completion. She responded to me with great enthusiasm and energy. If she wasn't enjoying this as much as I did, she should consider a career in acting! She was absolutely dedicated to ensuring I had a wonderful time, there was no clock watching, no rush, no mobile phones going off. I really was the centre of her attention. I was completely captivated by her. I'm no longer a young man and for her to drive me to climax 3 times in an hour was quite something. I am completely spoiled for other escorts now. Just wish I were wealthy, regularly in London and about 25 years younger. What a fabulous time I had!
