The Premises:

A beautifully kept rural retreat a few miles from J13 of the M4 – she gives excellent directions and the door opens as you step out of the car, parked safely in her car port a yard or two away.

The Lady:

Claire is a mature lady in her 50s – there are some excellent pics and videos on here and elsewhere so need need for further comment. She ticks all my boxes – a sheer delight!

The Story:

I have seen Claire several times. Each time I've thought it couldn't get better than this – and next time it does!

She is warm, friendly, full of fun, up for pretty well anything that you or that dirty mind of hers can dream up. Mischievous eyes and a wicked grin. She has that rare gift of seeming to know exactly what you want and ensuring that the time spent beats anything you could have imagined as you were driving there.

I always set my 'enjoy list' alongside hers so that we appreciate each others preferences but I love being teased and I don't want the experience to be too predictable. Claire appreciates this and always comes up with a surprise or two, whether it be what she's wearing, what toys she uses or what new sensations she introduces. This way each meeting is very special as, one by one, they extend my boundaries and intensify my pleasure. From the first deep french kiss, through an exploration of each others bodies to mutual oral and anal play Claire is in a class of her own. This time it was Nurse Claire examining 'my bits' before slowly stripping and using her Magic Wand to provide never-to-be forgotten sensations as a prelude to wrapping her lips round me and looking up at me with that wicked twinkle in her eyes. Tongue in her pussy now, and I'm tasting her juices as 'wet' turns to 'stream' and experiencing once more her famous 'squirt'.

Claire's such good company it's a hell of a struggle to tear yourself away, especially since she is certainly not a clockwatcher.

I cannot imagine anyone ever being disappointed with the 'Claire experience' –she's 'full marks every time' as far as I'm concerned - I just wish I lived nearer >>>>>
