### The Premises:

outcall to my hotel

### The Lady:

Very attractive far moreso (and slimmer) than I was expecting from photos from Prestige's website. A posh totty in appearance who can easily fit into classy surroundings

British with a English Rose complexion, natural blonde maybe enhanced by a shade or two, reportedly 44 years of age, 5 foot 2 and size 12 all of which appear about right, medium size breasts and a cropped patch of pubic hair affirming the naturalness of her blonde hair.

### The Story:

Robyn arrived immaculately presented 5 minutes early.

The action, best described as a standard GFE (plenty of dfk & owo but nothing out of the ordinary), started almost immediately. She possesses the gift of cranking up the levels of passion to such an extent that primeval instincts took over as I was overwhelmed by desire. This didn't appear to be totally one sided as she too convincingly gave the impression of enjoying proceedings as much as I becoming very vocal at one point. Matters were brought to a natural conclusion after about an hour and she left about 5 minutes later saying that she hoped to see me again - undoubtedly a pleasantry but still a nice gesture.

Overall, another great experience from Prestige. I'm hoping to get round all their ladies before my work in the north east runs out.
