The Premises:

Nice typical WG flat in popular Paddington block I've visited many times

The Lady:

EE goddess in many ways. Long limbed, young, fresh, big tits, though those are a little floppy and not sure what they'll be like in 10 years

The Story:

Enjoyable. All round. She's clearly generally enjoying and getting the best from her new adventure into this world in London. Suspect she'll stay longer than planned.

Friendly and into it from the beginning. Sensual FK, gave me a solid hard-on. Very compliant with all my slightly kinky requests, and clearly enjoyed in her own way. Rapidly on her knees sucking my balls at my request and then excellent OWO. Then on all 4s on the bed made VERY encouraging noises as I slid a saliva-laden finger up her bumhole while sucking her clit. This was a sign of good things to come and we did intense, sensual, conventional humping all over her bed, occasionally enhanced by a very much welcomed thumb-in-the-arse.

Came inside her as was too hot to hold off, so never tested whether CIM on offer. Would have been very surprised if it wasn't though.

Good girl. All round.
