The Premises:

Quiet hotel near Earls Court tube. Room was small but cosy, could have benefited from some more mirrors instead of a Corby trouser press but i guess the owners don't know the ongoing (or do they...)

The Lady:

Lithe, luscious and lovely. Very pretty lancashire lass with a cute accent. Again, a lot taller than I expected but i do have a penchant for girls in high heels. Greeted me wearing a tight sexy dress and an engaging smile.

The Story:

I was feeling a little 'tired' so the jungle sex routine was dispensed with in favour of two hours of slow sensuality.

Rebecca gives wonderful GFE. She appreciates receiving long slow oral and returns owo with passion and depth. After some mutual oral we moved onto sex in various positions. The room was a little small but we managed to build up a good rhythm over the bed. I eventually climaxed with her in the doggy position in front of the mirror. Cue bliss.

She's a lovely, warm, accommodating lass who gives wonderful GFE. Charming and chatty after the sex makes for an all round peak experience. Definate recommend.
