### The Premises:

Very nice, clean, new flat with on-street parking and very discreet rear entrance. Easy access from M1. Very quiet area.

### The Lady:

Petite blonde, early 40's, tremendous fit figure, AMAZING bum, brown eyes and of course, blonde hair. Totally down to earth, sexy lady that put me at ease immediately.

### The Story:

Katrina opened the door wearing a figure hugging white lacey dress with nothing underneath. I followed her into the living room resisting the temptation to grab her peachy round arse there and then, all the while getting hard on the way.

After being given a drink we sat on the sofa and chatted until she reached for the bulge in my jeans. Before long I was getting a truly mind blowing blow job. Really guys, sensational work down there and not to be missed. Katrina is sooooo good at this that it wasn't too long before I shot my load.

That session was more than enough for me but I know for a fact i'll be visiting again for the second course!

Thanks Katrina.
