### The Premises:

Well described minutes from the tube. Ushered into the back room by the delightful Rihanna and she is still a blonde.

### The Lady:

Kaprice is a beautiful blonde woman with great body. She has a beautiful smile and was dressed in a simple bra and panty set.

### The Story:

Kaprice chatted as I undressed and removed her bra My aim was 2 cums in 45 mins not an easy do. Kaprice smiled and commented 'lets go for it'. She was busy sucking my cock and she allows fingering and all forms of interaction. I was in heaven with my fingers massaging her cunt and my tongue lapping her clit. We did this for some time with noises from Kaprice encouraging me on. Her blow job is fantastic and I soon shot a load into her mouth. The snowball that followed was good. A slight rest while I stroked her supple body and chatted about this and that. Kaprice good to her work set about the second cumming and we had fun in the effort lots of filthy talk and fantasy construction. I watched her make herself cum as I played. She sucked and massaged I felt great. The second cum stuttered and spluttered and got a spunky cock end licked. This was an experience to savour and I will look for Kaprice's dates at the HOD. The sun shone on me as I strolled off to the tube.
