### The Premises:

Average cleanliness. Easy to access as there is a back entrance.

### The Lady:

Had the choice of quite a few girls. Chose her because of her wonderful boobs and great curves. She was a university student which made me even more wanting of her. Happy with a lot to offer.

### The Story:

Spent 30 minutes with her. She undressed and was wearing a great basque, stockings and thong. She helped me undress and proceeded to rub her boobs all over me. She then gave me oral whilst i caressed her great boobs. Her pussy was tight and incredibly wet. She squirted which really excited me. Let me use my mouth which she loved. Placed the condom on using her mouth. We had great sex and she giggled a lot. Made great noise. Would always recommend. Saving up for another go. Once i finished she helped me undress. Thought i'd say goodbye but she seems she had already gone into see somebody else. Only downside.
