The Premises:

Her place is a house in a quiet residential street near Selhurst. It was a nice place and a bedroom full of character. She may be looking for different premises, though.

The Lady:

Incredible! HUUUUUUUGE natural breasts (34GG) and slim and toned- dress size 10. 1 in 10,000 body. It's so so rare to find someone so slim and yet naturally so busty.

She is pretty, with lovely full lips and big brown eyes. She has light skin although I think she may be mixed race because she speaks with a Jamaican accent, I think. Quite tall and a curvy but toned bottom. Overall, a great body!

The Story:

I had a superb time.

When I first came across her profile, by chance, I dismissed it because I assumed someone with such huge breasts and a dress size 10 would be "enhanced". Not true: the pictures ARE accurate, she is slim (not an ounce of fat) and they are completely natural! I don't think she appreciates how rare someone of her physique is, otherwise she would market it more.

A face pic is in the private gallery but rest assured she is attractive. She has a slight jamaican accent but I'm guessing she is mixed race because her skin colour is light.

Hasn't been working for long and is considering going back to real work but not necessarily if she can make this work.

She's got a big personality and I really enjoyed bantering with her. There were sparks!

Service was limited in some ways ie kiss on the lips rather than french kissing but in many ways it was more authentic, like a true gfe, because she hasn't been doing this for long and she was genuinely turned on, as she let me know. She came a few times too.

Highlight: the site of her on top was beyond belief! It was one of the most beautiful sights I've ever seen in my life- no exaggeration! This is what I imagine it would be like being ridden by Jana Defi or Merilyn Sakova...phenomenal!

Definitely worth a punt, if you're in any way an admirer of the slim and naturally very stacked form. Women with bodies like this only come round once every few years. Great personality too!
