The Premises:

Parlour near bus station. Clean, pleasant, safe.

The Lady:

Sofi is a 29-year-old girl from Columbia. She has dark hair, pinned back, an attractive face, and a very warm smile and infectious laugh. She is about 5' 2" tall, with medium natural breasts, and is a big girl, especially around the stomach and thighs.

The Story:

This is a largely Thai establishment: Sofi is quite new here. The room is pleasant and airy, the sheets and towels immaculately clean, with quiet Oriental-style background music. I had the choice of 2 women, and opted for Sofi. As soon as we were in the room she began kissing me on the lips, and that set the pattern for the whole hour. She did everything possible to please me, smiling all the time, laughing, cuddling, making me feel pampered and special. I found her body very sexy - though if you don't like larger girls she might not be for you - and came very soon after we started. Sofi doesn't speak much English, but she tried hard, and we lay cuddling and stroking for a while. Then I gave her a massage with some oil, and gave her shaved pussy a good workout with my fingers. Next it was my turn, and within seconds she had her finger up my arse, and proceeded to give my arsehole the best finger workout I've ever had. Finally she milked my cock into a second orgasm. She was in no hurry to finish, and we lay cuddling for about 10 more minutes, before I got dressed. She even followed me into the bathroom afterwards, and held the towel for me to dry my hands. This was a marvellous experience, and at 70 pounds fantastic value. I doubt I've ever visited a girl more intent on pleasing a client.

This was my second visit to this parlour, and on both occasions I've been impressed by the attitude of the girls. (I didn't catch the name last time so couldn't submit a FR.) They may not be the youngest or prettiest, but they make up for that by their enthusiasm and willingness to please. The only real downside is that none of the girls I've ever spoken to there speak much English, and conversation can be hard work.

I shall be back to see Sofi again next time I'm in the area.
