The Premises:

The Head office is a fantastic establishment. I've found it to be clean, tidy, friendly and welcoming. The ladies there look like their photo's and the descriptions given over the phone of ladies without photo's are honest and accurate. I wish more places did this! There is a discrete entrance around the back. (There's no way I can write that without it sounding like a pun!)

The Lady:

God, I can't do this young lady justice! Long straight dark hair, a gorgeous size 8 figure, nicely busty (natural), very pretty face & possibly best of all was her smile.

The Story:

On meeting Ella I thought she seemed sweet and innocent, and her young age really showed. I hope she doesn't loose that if she keeps working. We spent about 15 minutes slowly cuddling and undressing, & the way she kissed my neck was out of this world. We then moved on to other things. I soon realised that she is not so sweet or innocent! She seemed to genuinely enjoy herself, god knows I did! I wish I was 20 years younger, I'd make this girl mine all mine.
