The Premises:

This flat is quite difficult find; it is about 10 a minute walk from the tube taking the Walworth Road exit.

The Lady:

A dark haired, Polish girl with 36B breasts and about a dress size 10. She is very friendly and she wore black hold ups during the session.

The session consisted of covered oral, followed by sex in the doggy position with me standing. After a few minutes, I removed the condom and came over her bum.
