The Story:

I found Yumi's advert "elsewhere" and thought I'd give her a try as I like Wimbledon. Looks quite cute in her pix. The reality though... Wow! She is petite, sweet and gorgeous! Young Japanese lass. Speaks good English. Had mug of green tea and started work. Without sullyng the encounter with gory details, she proved very receptive to my inadequate fumbings. She eventually finished me off with OWO and lubed handcraft. I don't believe I have ever come for so long or copiously! Yumi remarked that men usually come for 5-6 seconds but I went on for so long and so much! A shower, another mug of green tea and a pleasant gossip before wending my way home. Sadly without Yumi...
