The Premises:

An apartment near the city centre. Lots of parking.

The Lady:

Brunette. All very natural. A stunning smile. A sparkle in her eyes. Wonderful legs & a cracking bum.

The Story:

A cold call. I've not been for months. As I'd never been to the apartment before I popped in there. I was greeted by Angelica, but then introduced to Star. We'll, the twinkle had it!

A very funny young lady. She said she would be the best GFE - I asked where we should have the argument & where was the Playstation. It was giggles from there.

Great kissing, a lovely button & wonderfully addictive. I will love to Star again.
