### The Premises:

Same incall location as previous report.

### The Lady:

Slim but shapely brunette, gorgeous long hair, smooth skin and cheeky girl-next-door features. Cracking natural boobs.

### The Story:

What an absolute delight. After a recent booking with Samantha, I wanted to meet some of the other ladies on the books with a view for an extended two-girl in the future and Sky recommended Angel. I was not disappointed.

Dressed to please, Angel's charm immediately put me at ease. This young lady is so cheeky and she seemed eager to start the fun. I was taken care of in every way a man could possibly ask for. The hour flew by and once the naughty fun had ended it was like chatting to a friend. My week could not have ended better.

Thanks again Sky for another superb recommendation.
