The Story:

This place has become one of my regular haunts but this was my first time with Amy, who doesn't usually work on a Saturday. I had turned up without knowing who was 'on' that day and chose Amy from the two ladies available. She was friendly and gave a pleasant massage to begin. She very much appreciated having her boobs sucked and responded nicely to my touch. As a paid extra I requested bbbj and she gave this very enthusiastically and with expertise. When we moved onto sex she made such lovely appreciative sounds and movements that I found it a real turn-on. To finish I had more excellent bbbj. I enjoyed this punt more than any other so far this year and I will certainly be returning to see Amy again.
