### The Premises:

She has just moved, for those of you lucky enough to have seen her already – now even easier to get to, literally one minute from Earls Court underground station. Nice smart flat, comfortable bedroom, what more could you ask for?

### The Lady:

Bridget is EXACTLY as she appears in her pictures, i.e. she is smiling and happy all the time. She is a total delight to have naked in bed with you – a truly lovely young woman . She exudes total confidence in herself and her sexuality – she walks around naked as if the most natural thing to do – so it is the most natural thing to do.

She is exactly as she describes herself, her English is flawless. If you want to talk, she can talk on any subject, if you want to make love, she will make love. If there was a chandelier, she would undoubtedly swing from it if you asked her too – but there isn't, so I didn't!

If you want the services that are on her list, then I have no doubt that she will give them. However, if you are a mature normal guy, you will want to book Bridget as often as you can and just have straightforward sex with her – having her ride you cowgirl and watching her beautiful face as she rides you is worth twice the price. And when she slips her mouth round your cock and very gently pleasures you, you think you have died and gone to heaven!

### The Story:

You are not going to get a pornographic novel about the magical time we spent together, but the memory of what took place on that bed and in her body is certainly still racing around my memory giving me an erection even as I write this.

Because I asked for it, no energetic sex was involved, or whips or any kind of perversions – it was just the fact that everything about our meeting involved gentle sex with an intelligent and beautiful young woman with a glorious body who gave and received sexual pleasure with equal enthusiasm. Too many escorts work to a formula of what they want to give you, rather than bothering to find out

what you really want. Very, very few girls bother to find out what you really want, and then give you that. Bridget and very few others are worth travelling a VERY long way to enjoy.

She is fantastic value and I cannot understand how I was able to get a booking to see her this side of Christmas – there should be a queue right down her road begging for a booking within a fortnight!! I am serious guys (and girls) she is absolutely sensational and she is already on my list of girls to see again as often as possible.

Thanks darling Bridget, you are a gem XX
