The Premises:

First time I've been to this place as I'm a Sandys regular. Absolutely gorgeous rooms. Large bedrooms with shower and a Jacuzzi. Large, bright reception area with pictures of ladies on the walls. It actually gives Sandys a run for it's money. I actually think it tops it.

The Lady:

Late twenties, early thirties. Long brunette hair, gorgeous eyes and the best set of natural DD's I've seen this side of the pennines. Large and firm. Cracking legs and bum. Overall fantastic figure.

The Story:

Well for a first time punt in a new parlour this was a great experience. Jessica is actually very well spoken and sounds quite posh but in a good way. She has an extremely calm demeanour and would calm the nerves of a first time punter with very little difficulty. She asked what I wanted and I listed kissing, rimming (on her) and oral as my main interests. Rimming on you would cost an extra tenner and so would watersports. I declined both services. She said that was absolutely no problem. OWO is actually included in the price which is another step up from Sandys. Her oral technique is incredible, her bum tastes superb and when I was giving her oral (incredibly sweet pussy) she actually climaxed twice. She seemed to enjoy it as much as I did. Tried various positions before yanking the condom off and spilling my men all over her arsehole for a creamie pie. Brilliant service, gorgeous lady. She definitely put a smile on my face. Can't wait to see her again. Thank you Jessica!!
