The Story:

Tina's description and pictures on the website are accurate but they cannot describe her wonderful personality. Tina is so welcoming, friendly and fun it was as if we were old friends. Opted for an hour's visit with a shower to start with, which if you're new to Debbies, you must experience. Bit cramped but that adds to the fun! I spent over an hour in her delightful company and was in no way rushed out of the door. I've visited Debbies a few times over the years and each time i promise myself I should return sooner. The girls there are so accomodating and friendly. Amy was also working today and Debbie popped in as I was leaving. Both were friendly and really do make you feel welcome.
