The Premises:

Her apartment is in an easy to find building just a minutes walk from Lancaster Gate underground station.

The flat is functional, tidy and felt safe, though I did meet some other residents on the stairs when I departed who probably knew the reason for me being there!!!

The Lady:

I shall be generous and say that the woman I met was Sandra, I shall be truthful to say that the woman I met was nothing like as attractive as 'her' photos.

Sandra's agency photos show a rather gorgeous young lady, slim but with some wonderful curves, maybe size 8-10. The Sandra I met was more size 12-14, her stomach was no longer trim and flat, her thighs and bum had far too much excess fat. As to her age, well she is described as being 22 years old, I think she was 22 maybe 5-7 years ago, now she is very much late 20s. Not totally unattractive, she had a pretty face, but nowhere like as gorgeous as her photos would suggest...

The Story:

When I met Sandra she was dressed in a nightgown so I didn't get to see the full shape of her body. She seemed keen to have some fun so I paid my money and showered.

When I returned she was dressed slightly more 'appropriately' and I immediately had second thoughts, I asked if I could change my mind and leave but unsurprisingly she wasn't too keen to give me any money back.

OK, some of what we did was fun, she started off with enthusiasm and a creative spirit, but all too soon it seemed like she lost interest and just wanted to finish as soon as possible.

After the first 'pop' I had also lost all enthusiasm and passion and knew I was not going to enjoy myself much more if I were to stay. So after about 40 minutes of what should have been a 90 minute appointment I walked away.

So, Sandra is older, larger and far less attractive than the photos, some of her services were fun but mostly far below standard. I suggest you go elsewhere.....
