The Premises:

On a housing estate, easy parking, safe location. House clean and tidy. Shower ok but head keeps slipping down. Bigger room than Joanna uses.

The Lady:

Very fit, EE I think, lean and lovely pert tits, young about 20 ish.

The Story:

Fairly straight forward massage to begin, slow and medium firm and not sensual. She has long arms so reaches right over when at your head , very nice. Half way through let oil run down my back and into arse crease. Then gentle anal play for 5/10 mins whilst still massaging, very sensual. Turned over to see a fab body, not rushed and didn't go straight for my cock. Massages all around to get me begging for it. Stroked arse and tits and just down to pussy once. Brought me off and I loved it, she looks you in the eye. Very sexy young lady.
