### The Story:

Both came in together Olivia went straight for my cock Drew undressed they were both just so Gentle, Oli gave me oral while Drew sat on my face this seemed to go on forever, then they changed over and later back again then Oli sat on my cock with Drew on my face they then swopped over again and so it went on finally I spooned with Drew while fingering Oli who was stroking my balls at the same time until I erupted, just the best.

Oli went to shower while Drew came for a cuddle and I could play a bit more with those fab boobs! All I can say is wow! Thanks girls see you again soon.
