The Premises:

Abigails has on-site parking and a discreet rear entrance as well as the front door. The inclusive price for 40 minutes is £45, or 40 minutes for £50. The parlour is much cleaner than it used to be, but it's still nothing like as plush as other Stoke parlours such as Fingertips. The DVD displays in the room never seem to work, and the only WC opens directly onto the kitchen!

The Lady:

Jasmine had been working around the Potteries for some time, but last year she disappeared from the scene for several months. She is now back at Abilgails, hopefully on a regular basis.

Jasmine is a sexy redhead with a pretty face. She is late twenties, not far from 30. She is a little plumper than before, but she still has a nice accommodating sexy tanned figure that is partly shaven.

The Story:

I booked for 40 minutes, as it seemed worth it to pay a fiver for the extra ten minutes. Jasmine kisses nicely and gives very good oral, and I had a nice session. You won't be disappointed!
