The Premises:

Fingertips is a parlour in Fenton which has become probably the best in the Potteries. It is well-managed, and the madam is helpful and welcoming. Fingertips is clean and warm, with two downstairs rooms that are spacious and very well-appointed. The shower is good, but not en-suite. Upstairs there is a much larger room with en-suite shower & WC. Free parking is available, and there is a discreet entrance. There are TVs in the rooms.

The 30-minute price is just forty notes, when lesser local parlours ask an extra fiver or more. You can also have fifteen or twenty minute sessions for 25 or 30 notes, respectively.

The Lady:

Charlotte has been at Fingertips for some time, but I started seeing her only recently. She is rather beautiful, and is tall and very slim. Her boobs have recently been enhanced to a perfect size. Charlotte is fully shaven and very versatile.

The Story:

I have seen Charlotte a number of times now. She is bright and interesting to talk to. She is fresh and sexy, she kisses nicely and is very obliging.

Charlotte is delightful! Being with her is like having a lovely girlfriend.
