Tall, mixed race, friendly lady, with very attractive body, particularly her breasts, would guess she was in her 30s

The Story:

I'd read a couple of reviews of this lady and how much she seemed to enjoy what she does. So I went to find out for myself. I wasn't disappointed. After a drink and a shower, we snuggled up together. She really likes to kiss, a real gfe. This was followed by 69, then on with the mac for sex in various positions. At the end, she gave me a perfect blowjob. One of the best I've ever had. I spent more than an hour there and had a shower at the end too. Hope to be in the area again soon.
