The Premises:

Been to Brooklyns before, always clean, easy to park, discrete entrance and a warm and friendly welcome. Good sized rooms, spotless.

The Lady:

Mid to late twenties, taller than I expected, good looking, great body, bubbly personality, slim, with a right sexy arse.

The Story:

Was welcomed with a snog, Fallon is not shy, really good fun, bouncy, full of life, very friendly. Agreed in advance that anal would be an extra, just fancied it. Massage to start off with, followed by covered oral and a quick warm up jump. No rush, genuine girl, who was attentive and wanted to offer a good service.

Over to all fours for the main event, tight to start, but soon ended up going like the clappers, wore me out so she did.

All in all, great fun, nice to meet a genuine girl, shower before I left and a quick kiss.
