The Lady:

Wow. Lexi is a sexy black lady with a superb figure and long black hair. Stands 5'4" and 34b cup. Whilst her breasts are small they are beautifully formed. She was dressed in a see-thru one piece and white thong - sex on legs!

The Story:

Warm welcome and nice snog. Lexi gave me lovely back massage and rubbed her naked tits up and down my body. Lots of kisses to my shoulders, neck and ears. Turned over for great DFK and fondled her breasts. Sucked those lovely tits and nipples. Lexi started to work my cock until it was hard and then took me in her mouth. There was so much sucking and licking that I needed to change position. I stood in front of the mirror whilst she worked my cock in her mouth - no problem with touching her hair and head to face-fuck her. Did want to fuck her but I was enjoying it so much I decided to spunk on her tits, which I did with a fantastic climax. The globs of come joined the other pearls round her neck. A great punt!
