### The Premises:

Clean and tidy room, welcomed swiftly at the door which was good as MK was busy and especially that car park

### The Lady:

Milla is tall, slim, very pretty and a good figure. What really attract you to her is the personality, which for me is make or break. She definitely makes the grade

### The Story:

My first FR and my first punt in the UK. I'm not normally given to these things but feel Milla deserves recognition for her efforts and disposition.

I toyed with the idea of a punt but never really thought I would here in the UK. I travel abroad a lot and its easier for my conscience to deal with it there, but not so much here. Don't know why today is the day to lose my UK cherry, but I rang Annabellas at 10.30 and after seeing the list was torn between Milla and Jane. Not sure why I chose her but glad I did....

Wow. Milla was an instant hit. Despite her pictures not being the usual standard for Annabellas (she assured me new ones are on the way), once she arrived in the room I was very happy with my choice. Milla is a very attractive girl who gets better once she starts speaking (in pretty good English).

It may be just me (i would like to think so) but she was funny, talkative, attentive and a fantastic GFE with lots of soft kissing, smiling and caressing. After a few minutes of treating me like a long lost friend she started a fantastic OWO leading to CIM. There is a first time for everything in your life and that one will stay with me.....fab.

After a small respite of chatting (in very good English) we started round 2 with more LFK and caressing/teasing and an amazing amount of intensity leading to the little chap ready for the raincoat and a lovely cowgirl, followed by doggie and an finish by OWO / HJ

Afterwards she was still very attentive and fantastic GFE, parting with a kiss and a spring in my step.....

Well worth a visit 10/10

Milla- if you read this..... Thank you from a younger Richard Gere xx
