## Review of Autumn of Sheffield

**Review No. 113504 - Published 18 May 2013**

### Details of Visit:

**Author:** coconuts

**Type of Visit:** Incall

**Date and Time of Visit:** Wed 15 May 2013 11am

**Duration of Visit:** 20

**Amount Paid:** 40

**Recommended:** No

### Details of Service Provider:

**Company:** City Sauna

**Website:** <http://www.citysaunasheffield.co.uk>

**Phone:** 01142754472

### The Premises:

The establishment has been renovated since my last visit. It now feels a bit tacky but definitely cleaner than it was.

### The Lady:

Tall slim brunette. Loads of make-up and nice lingerie.

Small defect on her left hand. This only worth mentioning if for some reason this is not your thing.

Didn't bother me at all, I thought she was a very sexy lady.

### The Story:

Between Cheryl, Brandy and Autumn I opted for Autumn since I fancied a change. From the word go she didn't seem that excited to go up. I initially thought she might be a bit under the weather.

Upstairs we discuss the prices and I opted for half hour (OW and sex).

We skipped the massage and went straight to oral with me standing as it's my preference. No communication at all, just a straight quiet BJ. Awkward silence, couldn't even hear a slurp...

On my back I went and her on top. Very mechanical, she avoided deep penetration as she said she didn't like it. After 60 seconds she jumped off asking me to go on top because "she feels insecure because of her small boobs". Told her that was rubbish and that they are beautiful.

Anyway with me on top we went for another 2-3 minutes then as I felt a bit lump (mostly due to acute lack of interaction and enthusiasm on her part), I suggested we go sideways.

By this time I knew this was gonna be a cr\*p punt so I played a nice bit of porn in my head in order to get it over and done with.

And that was it. I tried a bit of small chat at the end but she looked uninterested at best.

So no enthusiasm, no initiative... maybe I'm getting too spoiled by a plethora of good punts lately, but this one was definitely less than average.
